# HARVEST 2021

HARVEST DAY OF THANKSGIVING – FRIDAY 8<sup>TH</sup> OCTOBER

WE ARE JOINING WITH THE PARISH TO COLLECT ITEMS FOR  
RAMSBOTTOM PANTRY

Ramsbottom Pantry is a community led food pantry set up to assist anybody who may need help.

Entirely run by volunteers, around their jobs and families, they endeavour to help as quickly as they can. Ramsbottom pantry serves Ramsbottom and surrounding areas and they are helping more and more people every week!

Chantelle Daniels who helped form the original food bank says, "I have worked in supportive housing for a few years and as there was no food bank in Ramsbottom I thought that I would set one up in the area. Ramsbottom is seen as quite an affluent area so people think poverty doesn't exist there - but it does."

With a handful of volunteers, Ramsbottom Pantry has been working with local services to ensure those in need can get access.

Chantelle added: "There are no criteria for our food bank. It has been such a weird year and a lot of people are struggling, including many people who didn't think that they would end up like this."

If you need the help of Ramsbottom Pantry at any time, call Bev on 07710461761
