

Meet: Mr Brown

Welcome

Welcome to Year 5/6! I feel so honoured to be able to teach the Y5/6 class at St Andrew's. This year is going to be fantastic for everyone lucky enough to be involved in the Year 5/6 class. We have a range of amazing topics to explore together, and wonderful staff to help us develop and enjoy learning.

A little about me

I am delighted to be part of such a wonderful school here at St Andrew's. Thank you to each and every one of you who makes each day so special. As a teacher, I have taught in two other schools across Manchester. I love sports, particularly football and rugby, and I support Manchester United and the Salford Red Devils.

My Favourites
