

St Andrew's

Church of England Primary School

Mrs Anne Washington

Dear Parents,

It is with great excitement that I am soon to become the Headteacher of St Andrew's CE Primary School. I am very keen to build on the achievements of the school so far and have already been made so welcome by the governors and staff. I look forward to working closely with all of the children, staff, parents and church community so that the school can sit proudly at the heart of Ramsbottom. I am invested in continuing to nurture strong community links with all stake holders so the school community can flourish with everyone working towards the same vision celebrating our successes at every opportunity.

My teaching background

I have been the Deputy Headteacher of Horwich Parish CE Primary School, Bolton in a two form entry school for 12 years. Previous to this appointment, I was the Deputy Headteacher at a one form entry school at St James' CE Primary school, Darwen. My teaching career started in Little Hulton, Salford. Throughout my career, I have placed a strong emphasis on building strong relationships and letting everyone achieve their potential within a school which radiates care and love for the school environment and the people within it.

My Hobbies

I love sport and have a keen interest in running and mountain biking. I represented England in my younger years in the sport of triathlon but now just enjoy a run over the hills at a much slower pace! When not working, I enjoy a good crime novel or film.
