

Meet: Mrs Long

Welcome

Welcome to Reception!

I'll be working with Miss Smith helping all the children in all areas of learning.

I like to make our classroom full of fun, laughter and excitement.

A little about me

I have been married for 39 years to my husband Chris.

I have a grown up daughter who is a teacher in London.

I have a very mischievous cat called Simba, the Bengal Leopard, who I love to share funny stories about.

I have been a Rainbow leader for over 20 years too. I like to keep busy!
