## 10. School meals information

### **Aims:**

St Andrew's CE Primary School aims to provide an environment that promotes the health and well-being of pupils, parents and staff by ensuring that all food provision and food messages are healthy and consistent. St Andrew's School staff recognise and are committed to the fact that healthier children learn more effectively.

### **School Meals:**

Food is provided by the Bury School Catering Service.  
The school buys into this service as part of an annual buy-back.

On offer each day there is:

- a minimum of two choices of main course with vegetables or salad, plus potatoes or an alternative carbohydrate such as pasta In many schools there is also a third choice option of jacket potato with a variety of fillings
- two choices of dessert or fresh fruit
- extra bread
- a non-meat choice
- a drink which could be fruit juice, milk or water

The school menus run on a three week cycle which is changed twice a year to avoid repetition and introduce new dishes.

Please let us know if your child has any special dietary requirements. Pupils with specific food-related conditions such as coeliac, milk/egg/dairy free and lactose intolerance can be catered for if we are provided with a diet sheet from the pupil's dietitian, hospital or GP. If we can, we will accommodate specific dietary needs from our standard menu and ingredient range. We do not knowingly serve foods containing peanuts or tree nuts. If any specialist dietary preparations and prescription foods are required these will need to be supplied by the pupil's parent or carer.

We are able to supply meals suitable for most cultural needs. Certificated Halal meat is available in most schools where there is a requirement. Copies of certificates are available on request.

The school lunch menu is published online.

### **Payment**

All pupils in Reception and KS1 are currently entitled to a Universal Free School Meal.

The cost of lunch for children in KS2 is £2.30 per day. All payments can be made through the local authority's online payment system; parents are asked to ensure that their account remains in credit so that their child is able to order a school meal.

### **Packed Lunches:**

Parents are encouraged to provide a healthy lunch box.

Parents may be consulted by a class teacher or Headteacher if any issues arise with children's packed lunches.

Children are encouraged to take home anything they do not eat from their lunchbox. This allows parents to see what their child has/has not eaten.

NO NUTS OF ANY KIND are allowed (including peanut butter)

### **Snacks:**

All Reception and Key Stage 1 children are offered a piece of fruit/vegetable each morning which they eat during the mid-morning break. Leftover fruit/vegetables are given to Key Stage 2 children when possible.

Milk is available each day at break time. This is paid for by parents and costs around 15p per day. The cost is kept low by the EU School Milk Subsidy Scheme and the school does not seek to make any profit from this. Milk provided is semi-skimmed and kept refrigerated.

The School council runs a twice weekly healthy tuck shop for Key Stage 2 pupils.

Reception children have a snack provided each morning on a rolling system. They choose when they want to eat a piece of fruit/vegetables and have a drink of water/milk. Once they have had their snack they place their name in a box. As well as this snack and drink, water is provided for all children throughout the day

### **Water:**

Fresh drinking water is available throughout the day. Pupils are provided with individual bottles from which to drink. Plastic cups are provided in Reception class.

## **12. Illness and absence**

If children are to get the greatest benefit from their education in school, it is important that they have good attendance and arrive punctually. As they grow and prepare for their next stages of education and employment they need to see good attendance and punctuality as important qualities that are valued by others and employers. We will do all that we can to encourage good attendance and punctuality. Where pupils are not conforming to our high expectations for attendance and punctuality we will put into place effective strategies to bring about improvement.

All staff will complete registers accurately for each session and will draw to the Headteacher's attention any absences that are cause for concern or suspicion.

Pupils arriving late will be marked as late in the register and this will be kept as a record. The number of lates will be reported at the end of the school year on the child's annual report.

Parents are asked to telephone or notify the school if their child is absent or ill.

The school office will make telephone contact with a home when a child is absent if the parents have not notified the school that their child is absent.

Where a child is developing a pattern of 'occasional' absences the parent will be contacted to discuss the pattern of absences.

The school will use welfare and attendance officers to follow up absences that are suspicious or causing concern.

Where necessary the school will work closely with the LA to take action against those unlawfully keeping children from school.

Requests for absences during term time will only be considered in exceptional circumstances. A family holiday does not constitute exceptional circumstances and will not be authorised by the Headteacher. Parents are reminded that they should not take children out of school during term time. Unauthorised absences may be referred to the local authority and a penalty notice issued.

### 13. Medical Policy

The school's Medical policy can be found on the school website. This policy has been drawn up to ensure that children with medical needs receive proper care and support at school to enable regular school attendance.

It also covers:

- The administration of medicines
- Head injuries
- Contagious/Infectious Illnesses
- First Aid
- Hygiene
- School Trips
- Record keeping & confidentiality

**If your child has vomited during the night or before school starts they should not be brought to school. When a child has been sick they should be kept away from school for 48 hours after the last time they were sick.**

### 14. Homework

The school's Homework policy can be found on the school website.

#### **Foundation Stage and Key Stage 1:**

With younger children most literacy homework is undertaken in the form of reading. Learning to read is highly crucial and therefore much emphasis is placed on reading at home.

The school sees the role of the parent/carer as fundamental in a child's reading development. Children take home a reading record with their reading book to allow for a two-way communication concerning the child's reading progress.

Mathematics homework is also set - much of which develops from the numeracy lessons in school and helps to develop and consolidate numerical skills. Mathematics homework will often be investigative e.g. see how many squares you can find in your house or see how many objects with right angles you can find etc.

Spelling is given as a homework activity.

Homework relating to class topics may be set half termly.

Homework activities (all of the above) for a half term can be included on a Homework Grid and a date set for when homework should be completed.

Other homework may be given at the discretion of the teacher.

### **Key Stage 2:**

At Key Stage Two reading remains an important activity and all children will be expected to read at home on a regular basis. The children have a reading record in which the parents make comments as appropriate, and sign.

Spellings will be set for the children to learn.

Mathematics work set includes learning multiplication tables, number bonds and further practice of work covered in school.

Homework relating to class topics may be set half termly.

As in Key stage 1, homework activities (all of the above) for a half term can be included on a Homework Grid and a date set for when homework should be completed.

Other homework may be given at the discretion of the teacher.

As a Dyslexia Aware school we ensure inclusion for children if they show dyslexic tendencies. The whole staff have received Dyslexia Awareness training and can recognise dyslexic tendencies. Strategies are in place to support these pupils.

## **15. Educational Visits**

School trips and in-school visits are an essential part of your child's learning and development. During the academic year, your child will be undertaking a number of trips or enjoying sessions from visitors in school. In order for your child to participate in these activities, you will be asked to give your permission by signing and returning a trip consent form, and you may be asked for a voluntary contribution. If insufficient voluntary contributions are received it may not be possible for the visit to go ahead.

You will always be advised of any major trips in advance. We warmly welcome parents, guardians or grandparents to come with us as helpers on our trips. Please come and talk to us nearer the time, if you are interested in helping on any of our trips.

Pupils receiving Pupil Premium may be able to receive assistance with payment for school visits. Please ask at the office for details.

## **16. Extra-Curricular Activities**

As a School we aim to provide a rich variety of extra-curricular activities. Some of these are run at lunch times and after school by members of school staff and there is no charge for them. On occasions these clubs may have to be cancelled due to other commitments or poor weather conditions.

In addition we also have a range of activities provided by external providers who charge for their club or activity. The School office is able to update parents on which clubs and activities are available for particular

year groups. However, payment and registration arrangements are made directly with the providing club and are not the responsibility of the school office.

Pupils receiving Pupil Premium may be able to receive assistance with payment for extra-curricular activities. Please ask at the office for details.

## 17. Music Lessons

Music lessons are provided by Bury Music Service for pupils in Years 2 to 6. Children can choose to learn to play a musical instrument from a range in a weekly lesson. Further information can be found in a leaflet that can be picked up at the school office.

In addition, St Andrew's employs a keyboard teacher and lessons can be booked through the school office.

## 18. Governing board

School governors provide strategic leadership and accountability in schools. Governors appoint the Headteacher and Deputy Headteacher. It is governors who hold the main responsibility for finance in schools, and it is governors who work with the Headteacher to make the tough decisions about balancing resources.

Each individual governor is a member of a governing board, which is established in law as a corporate body. Individual governors may not act independently of the rest of the governing board; decisions are the joint responsibility of the governing board.

The role of the governing board is a strategic one, its key functions are to:

- set the aims and objectives for the school
- set the policies for achieving those aims and objectives
- set the targets for achieving those aims and objectives
- monitor and evaluate the progress the school is making towards achievement of its aims and objectives
- be a source of challenge and support to the Headteacher (a critical friend)

The Headteacher is responsible for the internal organisation, management and control of the school and the implementation of the strategic framework established by the governing board.

The governing board is comprised of the following members:

Chair	Mr Robert Ruston
Vice Chair	Mrs Caroline Price
Headteacher	Mr Damian Marsh
Parent	Mrs Jessica Johnson
Parent	Mrs Emma Pearce
Parent	Ms Jacqui Lamb
Parent	Vacancy
Parent	Mrs Caroline Price

LA Representative	Cllr Ian Schofield
Foundation	Mrs Sandra Blackmore
Foundation	Mr Robin Enfield
Staff	Mr Daniel Hall
Ex Officio	Rev Andy Lindop

## 19. PTFA

The school has a very much valued Parents Teachers & Friends Association. Various social and fund - raising events are held throughout the year. The PTFA offers a positive means by which parents can contribute to the school and help to provide some “extras” for the children. Recent fundraising has helped us to provide exciting new play equipment and the remarking of the playground.

All parents are automatically members of the PTFA. A group of parents have volunteered to be part of the FRIENDS committee to organise events, new volunteers are always welcome to help out with individual events and to join the committee. Meetings are advertised in our newsletter and on the school website.

For more information please speak to Mrs Round, our school PTFA Chair. Please also visit the PTFA section on the school website.
