

## St Andrew's Primary School, Ramsbottom

*As a community, including children, staff, parents and governors, we seek to encourage the faith and educational journey of all our members.*

*We exist to identify the spiritual, academic, physical and professional needs of the children and staff, enabling them to affirm, support and develop each other in the spirit of Jesus.*

*We believe especially that our education must be broad and life-changing, enabling all the children to develop to their fullest potential so they may influence both the world of today and the world of tomorrow.*

### COLLECTIVE WORSHIP POLICY

#### **Introduction**

At St Andrew's CE Primary School we are committed to valuing and nurturing each child as an individual who will achieve their best and develop an enthusiasm for lifelong learning. Our vision is for the children in our school to grow into responsible, caring and fulfilled adults who actively and positively contribute to the society in which they live. We are committed to raising standards, values and self-esteem for all those involved with our school through cultivating a secure, yet exciting environment that is positive, supportive, stimulating and enriching.

As a Church of England Primary School we see our Collective Worship as a central part of school life. Our Collective Worship policy fulfils the statutory requirements common to all schools according to the 1988 Education Reform Act (and consolidated in the 1996 Education Act). It also fulfils the Diocesan requirements for a voluntary controlled church school which states that worship will be Christian in content with an Anglican emphasis.

#### **Aims**

Our aim is that our worship contributes to the spiritual, moral, social and cultural development of all children and staff.

#### **Our policy for Collective Worship supports this by:**

Recognising that Collective Worship is an important opportunity to provide opportunities for our pupils' and staff spiritual, moral, social and cultural development

Providing a daily act of collective worship for all pupils which enables them to:

- worship God
- reflect on Christian values for schools, personal development, multi-faith festivals and

curriculum aptitudes

- develop a community spirit, a common ethos and shared values
- consider spiritual and moral issues
- respond to the worship offered
- respond to Christian language and symbolism and experience stillness and quiet
- experience a variety of forms of prayer and meditation. These might include praise, seeking forgiveness or quiet reflection
- begin to understand the nature and purpose of worship
- Ensuring the daily act of collective worship be distinctly Christian in content and follows the liturgical calendar
- Ensuring Collective Worship, whether in assembly or class time, will:
  - be inspiring and transformational
  - be led by senior leaders, staff, children, clergy and visitors.
  - develop the Christian vision, values and ethos of the school and focus on our school Christian values
  - include a range of creative opportunities e.g music, silence, symbol, drama
  - celebrate and give thanks for the achievements within the school, local and international community and occasions of significance, including festivals
  - provide a foundation for a mature understanding and practice of worship in the future
  - will take place in the school hall, outdoors, in classrooms or the church
  - respecting the right of parents to withdraw their children for Collective Worship

### **Content of Daily worship**

As a Church of England school the content of our worship is organised to:

- Follow a half termly, 3 year cycle to cover our 18 Christian Values
- Cover all the major Christians festivals including Harvest, Christmas, Easter and Pentecost.
- Be rooted in Bible teaching
- Use the school prayers, Lord's prayer and other prayers
- Be presented using a variety of styles and to include music, story, drama, enthusiastic singing, reflection and reverence in prayer time.

- Be linked to the SEAL programme

### **Special Services and Visitors**

We value our links with the staff and congregation of St. Andrew's Church. We hold our Harvest, Remembrance Day, Christmas, Easter and Harvest services in church. The vicar regularly leads worship and always attends our services in the church. The PAIS team lead an assembly on a regular basis. Where possible we also invite other members of the community in to lead worship. All visitors are welcome to attend our Collective worship.

### **Inclusion and withdrawal**

Collective worship is central to the life of the school. However, parents/carers do have a legal right to withdraw their children from all or part of worship. Before making the decision to exercise that right parents /carers are encouraged to discuss the issues with the principal. Staff also have the right to withdraw on grounds of conscience but we hope that all staff will feel able to support the Christian ethos of the school by participating in collective worship.

### **Monitoring, Evaluation and Review**

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school

#### **Aims:**

This assembly very much focusses on personal development.

As it is a whole school assembly we foster a corporate identity by asking all staff and children to be present.

The aim of the theme is to develop thought on topics beyond the “everyday” and enhance personal/spiritual growth by thinking about self and a specific value that can

permeate through their life and school life in general.

**Balance:**

There is often a link between Christian teaching from the Bible, celebration and festival and issues relating to spiritual, moral, social and cultural education.
