

Penguins, Possums and Pigs

<p>Geography</p> <ul style="list-style-type: none"> • Make a model or draw a picture of a hot or cold place on earth. Add animals that you might find in that habitat. • Create a model of the earth –can you show where the hot and cold places are? • Learn the names of the 7 continents and some countries that are in those. • Learn the names of the five oceans. 	<p>Science</p> <ul style="list-style-type: none"> • Draw an animal from a cold place and an animal from a hot place. (Label the body parts of each animal) • If you have a pet – help to take care of it for a week and write down what your pet needed. 	<p>Art</p> <ul style="list-style-type: none"> • Create a collage using hot or cold colours. • Draw animals using different media (pens, pencils, chalk, felt-tips, crayons...) Choose which you prefer using. 
<p>English</p> <ul style="list-style-type: none"> • Write a postcard from a cold place on earth. Write sentences to say what you have done and describe things that you have seen using punctuation and adjectives. • Take a photograph of an animal or find one online and write some interesting facts about your chosen animal. 	<p>Maths</p> <ul style="list-style-type: none"> • Making sure number bonds up to and including 10 are practised. Then try 20. • Practise counting up to 100 and then backwards. Try counting in steps of 2s, 5s and 10s as an extra challenge. • Find 3D shapes using real life items. Document these and describe their properties. 	<p>Remember!</p> <p>The most important homework you can do is remembering to read <u>every</u> night.</p> <p>Also, continue to practice your spellings every week for your test each Monday.</p> <p>Please feel free to upload pictures and homework using the Seesaw app.</p>

Choose at least 2 things to do. Bring in your homework when completed or by Friday 21st October.
