

Meet: Miss Williams

Welcome

Welcome to Y3/4, Mrs Starrs and Miss Williams' class. We have been teaching this class for 4 years now and really enjoy the range of topics and some of the great books we read. I'm really looking forward to starting the new term.

A little about me

I have been teaching at St Andrew's for 14 years, before that I was at a school just outside of London. I didn't always want to be a teacher; I thought I might be a vet or a film editor. I have two children and a cat but my children would really like a dog or a horse! I love being outdoors and really enjoy being able to take the class into our wildlife area.
