

## Meet: Mrs Starrs

### Welcome

Welcome to Y3/4! This is a fantastic class as it has 2 teachers! Myself and Miss Williams have worked together now for 4 years and we really enjoy the topics that we cover. We have a lovely classroom that we like to call the "caravan."

### A little about me

I have been teaching now for over 20 years and it is the best job ever! I have 3 children Liam, Declan and Niamh and a Bedlington Whippet called Lonzo. I love to take her out for long walks along with my camera so I can take pictures of our lovely countryside and its wildlife. I also like to go camping in my caravan with my family.

### My Favourites

Subject: Science
